

## QUALITY POLICY

The Quality Policy of AWS Global Pty Ltd is written to satisfy the Company's objectives, customer expectations and the Australian Standard AS/NZS ISO/IEC 17020.

The assurance of quality is fundamental to all work undertaken by AWS Global Pty Ltd. We are customer focused with quality enhanced by working in a systematic manner to documented procedures designed to prevent the occurrence of deficiencies.

A quality system based on the requirements of AS/NZS ISO/IEC 17020 has been implemented. This provides the controls and disciplines necessary to ensure that activities are carried out to the highest possible level of quality and complies with all contractual and statutory requirements.

It is the policy of the Company to promote a philosophy of continuous improvement.

The responsibility for the implementation and operation of the quality management system is delegated to the Quality Representative who reports directly to the Managing Director on all matters relating to quality.
