

**AWS Global**

TRADING AS AWS, AWS ISI, and AWS CE

## QUALITY POLICY STATEMENT

Procedure No: 1.02

Date: March 2021

Issue: 1.1

Page 1 of 1

*AWS Global* specialises in the provision of welding solutions to industry that includes consultancy, auditing, training and inspection services.

We pride ourselves on providing services that meet our Client's criteria and specifications.

Our services are delivered by meeting the appropriate Australian Standards and/or Codes, applicable statutory and regulatory requirements.

Our management systems are compliant to ISO 9001:2015 and its Management System is integrated within the Work, Health Safety and Environmental Management System.

The policy is also established to meet the requirements of AS/NZS ISO/IEC 17020 Standard.

The assurance of quality is fundamental to all work undertaken by AWS Global Pty Ltd.

We are customer focused with quality enhanced by working in a systematic manner to documented procedures designed to prevent the occurrence of deficiencies.

With quality of product and service at the forefront of our Company's objectives, our primary goal is to satisfy our Clients' needs through the provision of:

- employing a skilled, experienced and stable workforce
- regularly up-skilling our workforce
- determining, reviewing and addressing risks and potential opportunities
- setting, reviewing, integrating and updating our quality objectives
- meeting the Client's specification
- promoting and maintaining safety programs throughout the business
- a rigorous approach to reviewing and updating our systems
- endeavouring to improve the capability of our processes
- enlisting the full participation of each employee in our quest for excellence
- expecting our suppliers to make commitments to continual and quality improvement
- effective communication between management, staff, Clients and stakeholders
- formal and informal Client feedback mechanisms
- developing long term Client relationships
- an environment that reflects a culture of effective leadership, commitment to continuous improvement and innovation.
- Making this Quality Policy Statement available to all interested parties
